

Dual Duty Teaching Easel

(FTT300 / FTT324 / FTT320 / FTT301 / FTT302)

Real Classroom Ready™

“We need to find a solution that does it all. With device charging taking up more space in the classroom, we need to make the most of every inch.”

Why have a charging cart *and* an easel taking up room when you can have this space-saving hybrid? It's designed to make the most of every inch in the classroom by combining technology storage and charging with a traditional teaching easel and moves easily around a flexible learning environment.
