Tech Tub2® Modular Carts with UV Tub
(FTT718-UV / FTT718-USB-UV / FTT726-UV / FTT726-USB-UV)

Real Classroom Ready™
NEW! UV Tech Tub®

These days, cleaning devices is as important as charging them. The UV Tech Tub® is here to help with the necessary disinfecting of devices required to keep classrooms as germ-free as possible. The UV Tech Tub® is designed with safety, disinfection effectiveness and ease of use as top priorities.

In one minute, the UV Tech Tub® disinfects bacteria and viruses commonly found in schools. The large chamber can also disinfect Chromebook™ keyboards and screens (when open), VR headsets, headphones, robotics and other commonly used classroom items.

Features:
- One minute to disinfect to a 99.9% kill* of common hospital and classroom viruses and bacteria
- Fully enclosed disinfection chamber (no UVC exposure to user)
- Disinfects tablets, Chromebooks™ and other devices
- Chromebooks™ can be disinfected while open, cleaning the outside, germy keyboard and screen (points) and the outside
- Large chamber also fits VR headsets, headphones, robotics and other high-tech and low-tech classroom items
- The UV bulbs turn on only when the door is closed securely and start button is pushed
- UVC filtering window (to check bulbs are working)
- Lights on the door also indicate UVC disinfection status
- UVC bulbs have shatterproof sleeves to prevent glass and gases from escaping if a bulb is broken
- Bulbs emit UVC radiation at a wavelength of 245nm which is proven to be effective at eliminating bacteria, viruses and fungi
- Bulbs are arranged to provide complete 360 degrees of irradiance and the highly reflective polished aluminum chamber maximizes effectiveness of the UVC bulbs
- Bulbs are easy to replace by educators (available from Copernicus) and are rated for 11,000 hours**
- 12 Medical grade testing cards to check effective germicidal levels of UVC (monthly checks are recommended and additional cards available from Copernicus)
- UL testing in progress
- Small footprint and can clip onto existing Tech Tub[2]® Trolleys and Modular Carts

Top compartment holds package of 12 medical grade testing cards to check UVC level
(monthly check is recommended)
