ADJUSTABLE-HEIGHT STEEL AV CART WITH LOCKING CABINET AND PULLOUT KEYBOARD TRAY

AVJ42KBC

Luxor's industry-leading multipurpose utility cart with locking cabinet and pullout keyboard tray will secure, store, power, and transport your valuable electronic equipment, while also providing the perfect platform for a mobile computer work station. The steel construction and robotically-welded shelves ensure long-lasting durability in tough environments. A sturdy key lock helps keep contents safe from theft and loss. The integrated pullout keyboard tray will easily support a laptop computer, or a standard keyboard and mouse (while placing your CPU and monitor on the cart). Textured mats and retaining lips keep shelf contents securely in place while the adjustable top shelf can be set from 24" to 42" high and features an integrated three-outlet power strip with a built-in cord wrap. This mobile cart is also easy to maneuver and can be quickly stabilized thanks to four 4" full-swivel casters, two with locking brakes.

Dimensions:

- Total dimensions: 24" W x 18" D x 24" to 42" H (in 2" increments)
- Cabinet interior dimensions: 24" W x 17.5" D x 16.625" H
- Keyboard tray dimensions: 18.75" W x 11.75" D
- Cord length: 15'
